Bethel's academic catalog and transfer information can be viewed online at www.bethel.edu. It can also be sent to you and it is available in the Itasca CC counseling office.

This transfer guide is designed to help a student at Itasca Community College easily and confidently choose courses to take at ICC that will satisfy Bethel general education (core curriculum) requirements. Unless otherwise indicated, one (1) course from each area will satisfy that Gen Ed requirement. Pages 16-33 in the 2008-2009 Bethel Catalog provides further information regarding Bethel's transfer and general education requirements. In most cases, with careful planning you will be able to fulfill ICC curriculum objectives, while also completing coursework that Bethel requires. Contact Bethel or ICC for assistance with your planning.

Here are some additional guidelines to consider:

- Most courses required for a specific academic major should be taken at Bethel.
- Any ICC course taken to satisfy a requirement for a major at Bethel should be approved by the specific academic department at Bethel.
- Bethel's programs are designed to be completed in 4 years. Early communication with you will allow Bethel to help you to determine when it is best for you to transfer.
- Courses that are listed under more than one category can only count once. Students can choose which category they prefer.
- A grade of 'C' or higher is required on each course to be accepted by Bethel.
