* GES145, 146, 245, and 246 Western Humanity in Christian Perspective I-IV may be substituted for the highlighted courses. These four courses MUST be taken sequentially – 145 (fall, freshman), 146 (spring, freshman), 245 (fall, sophomore), and 246 (spring, sophomore). Since the Western Humanities program is 1 credit less than the 5 separate Gen Ed courses, the student must ADD 1 additional elective credit in order to meet the total credits required for graduation.

** Students must complete through the second semester of a first year language course or equivalent. (Check the Catalog for details of this option.)

▪ This program assumes a student will use MAT124M or MAT131M to meet the general education Mathematics requirement.

^a Electives from 200-level or above economics courses excluding ECO200.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
