Rico Corporation

Dear Diana,

Thank you for having me in for an interview. I enjoyed meeting you and learning more about Rico Corporation. Please convey my thanks to Pedro and Donna as well.

I was particularly interested in the regional expansion effort that you are planning. That is where I believe I could potentially contribute the most to the company. As I mentioned, I am very interested in recruiting and have experience through my recruiting assistant position at Liger Companies.

Again, thank you for giving me such a clear picture of Rico Corporation. It is a company I would love to be a part of. I look forward to hearing from you soon.

Sincerely,

Nathan Skills
