Bethel's Forensics program is a comprehensive individual events and debate program. We participate in all individual events and Lincoln-Douglas and Parliamentary Debate. Students can choose from between 16-25 different tournaments during the year. We also attend the National Christian College Forensics Invitational, as well as other major tournaments such as Novice Nationals, the National Parliamentary Debate Association, and the National Forensic Association. We travel across the Upper Midwest, but go outside of the region as well.

Scholarship Details:

Presently we offer renewable, non-need based scholarships up to \$3,000. The actual amount is based on past performance as well as potential for future performance. These scholarships are awarded both to incoming freshmen as well as transfer students. Scholarships are designed to reward both past forensic and academic achievement. These scholarships are renewable subject to the following requirements:

1. You must remain full-time (minimum of 12 credits per semester).
2. You must maintain a minimum 2.5 GPA. Students who fail to earn a 2.5 GPA will be placed on travel probation until such time that the GPA is over 2.5.
3. You must attend a minimum number of tournaments and participate in a minimum number of events. These will be established in consultation with the director of forensics.
4. Scholarship students will attend weekly squad meetings, weekly practice sessions with the Director or another member of the coaching staff, and serve as a positive team influence.
