Student Evaluation of Practicum Site

Practicum Site _____

I would evaluate my practicum site as:

- | | |
|-------------|---|
| _____ Good. | The practicum provided good experience. If I had it to do over again, I would choose the same practicum. |
| _____ Fair | Even though there were some problems with the practicum, the positives outweighed the negatives. If I had to do it over again, I would probably choose this same practicum. |
| _____ Poor | This practicum was not what I expected. If I had to do it over again, I would not choose this same practicum. |

The supervision I received during my practicum year was:

- | | | | |
|------|------|------|-----------|
| 1 | 2 | 3 | 4 |
| Poor | Fair | Good | Excellent |

As a result of the experiences at my practicum, I grew in the following ways:

What I liked best about my practicum:

What I liked least about my practicum:

I would recommend this placement to other graduate students:
